

Mathematics

**MS1201 Assessment Statement 2017**

Course is endorsable

Year : 12

Course : Statistics

Ms J Swire

Total Credits : 24

| No | Standard Number | Version | Level | Credits | Lit / Num      | Full Title   | Method of Assessment | Assessment Opportunities Offered | Approximate Date | Grade | Teacher Signature |
|----|-----------------|---------|-------|---------|----------------|--|----------------------|----------------------------------|------------------|-------|-------------------|
| 1  | 91259           | 3       | 2     | 3       | Num            | Mathematics and Statistics 2.4 - Apply trigonometric relationships in solving problems                       | Exam                 | 2                                | 6th March        |       |                   |
| 2  | 91264           | 3       | 2     | 4       | Num, L1<br>Lit | Mathematics and Statistics 2.9 - Use statistical methods to make an inference                                | Exam                 | 2                                | 10th April       |       |                   |
| 3  | 91268           | 3       | 2     | 2       | Num, L1<br>Lit | Mathematics and Statistics 2.13 - Investigate a situation involving elements of chance using a simulation    | Exam                 | 2                                | 15th May         |       |                   |
| 4  | 91256           | 3       | 2     | 2       | Num            | Mathematics and Statistics 2.1 - Apply co-ordinate geometry methods in solving problems                      | Exam                 | 2                                | 12th June        |       |                   |
| 5  | 91265           | 3       | 2     | 3       | Num, L1<br>Lit | Mathematics and Statistics 2.10 - Conduct an experiment to investigate a situation using statistical methods | Exam                 | 1                                | 31st July        |       |                   |
| 6  | 91260           | 3       | 2     | 2       | Num            | Mathematics and Statistics 2.5 - Apply network methods in solving problems                                   | Exam                 | 2                                | 28th August      |       |                   |
| 7  |                 |         |       | 4       |                | Mathematics and Statistics 2.12 - Apply probability methods in solving problems (91267)                      | Exam                 | 1                                | 23rd Oct         |       |                   |

School Assessment Procedures - You can view your rights and obligations under the school's assessment procedures on the schools intranet.

Qualifications - You can see what qualifications the school offers and what qualification(s) this course leads towards on the schools Intranet. Also you can see the courses, pathways, requirements for certificate endorsement, exclusion list of standards, and details on credit inclusion.

NZQA - For a range of information on the National Certificate of Educational Achievement, University Entrance, and Scholarship go to <http://www.nzqa.govt.nz/ncea/index.html>

Assessment Opportunities Offered - In addition to what is listed above, other authentic standard specific evidence may be used instead of a formal assessment event. See your teacher for details.

Record your internal grades on this sheet and ask your teacher to sign it off as correct. You can then use this as evidence of your achievement.
