Dear Parents/Caregivers

FREE Dental Care at Paraparaumu College Provided by Simply Dental

Dental care is free for eligible students up to 18 years of age. Accessing dental care is not always easy and many students miss out on this entitlement. To make dental care more accessible for our students we have partnered with Simply Dental since 2014 to provide dental care at school. This initiative is an important part of supporting your child to be a healthy and successful student.

Taking advantage of Simply Dental's service at our school is your choice.
