

Physical Education

PE1101 Assessment Statement 2018

Course is endorsable

Year : 11

Course : Physical Education

PE 1101

Total Credits : 26

Study in Physical education involves students participating in movement experiences that promote and support the development of physical and social skills to develop the capacity to transfer theory into practice. This course fosters critical thinking and enables students to understand the role and significance of physical activity for individuals and society and to take informed action.
