EV1201 Assessment Statement 2021

Course is endorsable

Year : 12

Course : Environmental Science

Mrs A Turner

Total Credits : 24

A course which provides students with a solid grounding in environmental, economic and social aspects of sustainability. It looks at sustainability in current local and global settings, is cross-curricular and contains Level 2 Achievement Standards. There is a large component of ecological and geological science which is studied in a local setting. The ability to undertake effective group work in the classroom and in the field is a key component for achieving success in this subject. Prize giving decisions will be made based on markbook entries as of 1.10.21
